# SSAT CANDIDATE AGREEMENT

The SSAT Candidate Agreement ("Agreement") sets forth the terms and conditions under which the Enrollment Management Association ("the Association") will allow a candidate's parent or legal guardian to register the candidate for a SSAT examination, and allow the candidate to take the SSAT. The Association requires that a candidate's parent or legal guardian provide a printed copy of this Agreement to the candidate and read and explain this Agreement to the candidate prior to registering for a candidate's SSAT examination. The SSAT is made available to candidates exclusively under this Agreement, which constitutes a legally binding agreement between the Association, on the one hand, and candidates and their parents or legal guardians, on the other hand. "You" as used herein refers to the candidate for the SSAT.

In order to register for the SSAT, your parent or legal guardian must acknowledge and certify to the Association on your behalf that you understand and accept the terms and conditions set forth in this Agreement and that you have received a printed copy of it. At the time of your scheduled SSAT administration, you will be required to sign your answer booklet as a verification acknowledging that you previously received a printed copy of the Agreement, understand it, and agree to abide by all of its terms and conditions. You will not be permitted to take the SSAT if you do not sign the verification prior to starting your scheduled examination. In addition, at the time of your registration for the SSAT, your parent or legal guardian must acknowledge and accept the terms and conditions set forth in the Agreement and further agree to accept personal responsibility for your compliance with the Agreement, as well as any consequences that could result from your failure to abide by the Agreement.

By appearing at a test center to take a scheduled SSAT, you are representing and certifying to the Association that you are the person whose name and address appear on your SSAT registration and that you are the person who will take the SSAT on your own behalf. You are further certifying that you are taking the SSAT solely for the purpose of obtaining admission to an independent secondary school. You are further certifying that you are not taking the SSAT in your capacity as a test preparation agent, coach or tutor, or for the purpose of obtaining confidential test material.

You understand and agree that the SSAT is a secure, confidential examination, and its contents are disclosed to candidates in a limited context to permit candidates to take the examination for the purpose of obtaining examination results and submitting them to an independent school as part of its admission process, and for no other purpose. You further understand and agree that the SSAT and all related materials, including confidential examination questions, answer choices and all additional examination content are the sole property of the Association and are protected by United States and international copyright and trade secret laws. You agree that you will not discuss or disclose SSAT content orally, in writing, on the Internet, through social media or through any other medium existing today or invented in the future. You also agree that you will not copy, reproduce, adapt, disclose, or transmit SSAT examination questions or answer choices or any examination content, in whole or in part, or assist or solicit anyone else in doing the same. You further agree that you will not reconstruct examination content from memory, by dictation, or by any other means, for the purpose of sharing that information with any other individual or entity. You further agree and attest that, prior to taking the SSAT examination, you have not solicited, received or reviewed confidential examination questions, answer choices or any other examination content represented or understood to be copied or derived from a prior SSAT examination.

The SSAT Candidate Handbook ("Handbook") sets forth all of the policies and procedures that apply to the SSAT. The Handbook includes policies and procedures for application, eligibility, fees, examination registration and scheduling, examination administration, scoring, retesting, violations, investigations, errors, and dispute resolution. The policies and procedures in the Handbook help protect examination content, maintain the integrity of the school application process, and ensure test fairness and validity for all candidates. All policies and procedures contained in the Handbook are hereby incorporated into and made part of this Agreement. By acknowledging and accepting this Agreement, you and your parent or legal guardian are attesting that you have read the current version of the Handbook, and that you and your parent or legal guardian understand, accept, and agree to abide by all of the policies and procedures set forth therein and understand that any violation of the policies and procedures contained in the Handbook constitutes a violation of this Agreement.

As set forth in the Handbook, you agree that all registration information provided to the Association through its website will be provided by your parent or legal guardian. Your parent or legal guardian agrees that all information provided to the Association in relation to your registration will be complete, truthful, and accurate in every respect and that your parent and legal guardian has a continuing obligation to notify the Association immediately of any changes to information previously submitted to the Association. You and your parent or legal guardian acknowledge and understand that the Association website is not designed or intended to solicit or receive information from minors or children under the age of 13 and you agree to immediately notify the Association if you have any reason to believe that a child under the age of 13 has submitted information to the Association through its website.

The Association's Privacy Policy ("Privacy Policy") sets forth all of the terms and conditions that govern the Association's collection, use and disclosure of public and private information about you and your performance on the SSAT to third parties, including but not limited to schools. All policies and procedures contained in the Privacy Policy are hereby incorporated into and made part of this Agreement. By acknowledging and accepting this Agreement, you and your parent or legal guardian are attesting that you have read the current version of the Privacy Policy, and that you and your parent or legal guardian understand, accept and agree to all of the terms and conditions set forth therein.

By acknowledging and accepting this Agreement, and by appearing to take a scheduled SSAT examination, you are certifying to the Association that you have read and will abide by the above rules. Engaging in or attempting to engage in any prohibited conduct shall be considered a violation of the Agreement.

You and your parent or legal guardian agree that the Association may, in its sole discretion, withhold, invalidate or cancel a test score if it determines in good faith that there is a reasonable basis to question the validity of the score.

You and your parent or legal guardian understand and agree that any alleged violation of this Agreement or any alleged activity that may compromise the validity, integrity, or security of the SSAT will be investigated. You and your parent or legal guardian also understand and agree that if you or any person on your behalf provide false or misleading information to the Association at any time, violate the terms of this Agreement, refuse to comply with any directions given to you by a Test Center Administrator or Proctor, engage in any activity that may compromise the validity, integrity, or security of the SSAT, or fail to fully cooperate in any investigation related to the SSAT, that the Association may, in its sole discretion:

1. Prohibit you from taking the SSAT for a fixed period of time or permanently;
2. Terminate your SSAT administration prior to your completion of the test and require you to leave the test center;
3. Invalidate your score, before or after scores are reported, without a refund;
4. Report your conduct and / or the findings of any investigation by the Association to all schools to which you have applied or may apply for admission, and other interested third parties;
5. Pursue civil legal action against you and / or your parent or legal guardian; and
6. Refer the matter for criminal prosecution if you engaged in criminal conduct.

No parent or legal guardian should register for or schedule an examination for a candidate if there is any part of this Agreement that the candidate or parent or legal guardian does not understand. If a candidate or parent or legal guardian has any questions about the terms and conditions of this Agreement, please contact a representative of the Association at 609-683-4440 or [info@ssat.org](mailto:info@ssat.org).
